Vote 237—Administration of Pilotage; Construction of a Pilot Tender

AUDITOR GENERAL'S OFFICE, September 29, 1924.

SIR,—On January 26th, 1923, authority was granted by Order in Council, P.C. 151 for the purchase or construction of one or more vessels for the use of the pilots of the Pilotage District of Sydney, N.S., at a cost not exceeding $10,000 payable out of the parliamentary appropriation "Administration of Pilotage", the sum expended under this authority to be refunded by the pilots at the rate of $1,000 a year and to be a first charge on the pilots' earnings.

On July 11th, 1923, an agreement was entered into between John Barrington, shipbuilder and Capt. J. D. Mackenzie, Superintendent of Pilots, representing the pilotage district of Sydney, providing for the construction and equipment of a pilot boat, payments to be made on progress reports as follows:—

> "......twenty-five per cent when boat is framed, fifteen per cent when boat is planked, twenty-five per cent when engine is installed and boat launched, twenty-five per cent when boat is accepted, final payment of ten per cent, sixty days after acceptance."

It is also provided in the contract that,—

> "There shall be two and one-half months to build from the time the contract is let, and for every day after, the sum of ten dollars shall be paid by the contractor."

In this connection I desire to direct your attention to the following points:—

(1) The amount in consideration of the building of the boat is not specified in the contract.

(2) The contract provides that the third payment be made "when the engine is installed and boat launched." This payment was made before the boat was launched.

(2) The contract is dated July 11th, 1923, but payments said to amount to 65% of the contract were made between October 18th, 1923 and February 8th, 1924. There is no evidence that a fine of $10 per day was imposed on the contractor for his failure to complete the work within the specified time.

Please furnish me with an explanation of the points noted, and any further information that might facilitate the audit of the accounts in connection with the construction of this boat.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Department of Marine and Fisheries.

DEPARTMENT OF MARINE AND FISHERIES, October 1, 1924.

SIR,—I beg to acknowledge the receipt of your letter of the 29th ultimo in regard to the building of a pilot tender for the Pilotage District of Sydney, N.S.

Question (1) The amount in consideration of the building of the boat is not specified in the contract.

I am enclosing herewith copy of the tender of Mr. John Barrington which was attached to the agreement giving the price for the boat as per plans and specifications.

Question (2) The contract provides that the third payment be made when the engine is installed and boat launched. This payment was made before the boat was launched.

The reason for this payment was that the harbour of North Sydney was frozen over on that date and launching was impossible except at great and added expenses to the builder. However sufficient equivalent work had been done on the boat to warrant the payment. I am enclosing copies of letters in regard to this point.

In regard to question 3, the fine was not collected as the non-completion of the boat was due to weather conditions and not through the fault of the contractor. Moreover, the pilots as owners of the boat—and who have to pay for it—were satisfied this was due to no fault of the contractor's, and recommended payment.

I am, Sir, your obedient servant,

E. HAWKEN, *Act. D.M.*

The Auditor General.

Vote 257—Marine Biological Board of Canada; Printing done outside of Printing Bureau

Auditor General's Office, September 20, 1924.

Dear Sir,—In examining the vouchers forwarded to me in support of expenditure in connection with the Biological Board of Canada for the fiscal year 1923-24, I find the following amounts for printing paid to the University of Toronto Press:—

Account 569	$ 48 80
" 764	16 90
" 808	15 30

Section 16 of the Public Printing and Stationery Act provides as follows:—

> "A Government establishment shall be organized at Ottawa, and shall be under the management of the Superintendent of Printing, in which establishment all printing, electrotyping, lithographing and binding and other work of like nature required for the service of Parliament and the several departments of the Government shall be executed."

In view of this provision of the Act, I am of opinion that all printing and work of like nature should be executed by the Government Printing Bureau; or if it be deemed expedient that the work be done elsewhere, such should be done on the authority of the King's Printer and all accounts submitted in connection therewith certified by the responsible officer of his Department.

Yours truly,

WM. KEARNS *Asst. A.G.*

The Chairman Biological Board of Canada.

Biological Board of Canada, September 25, 1924.

Dear Sir,—I beg to acknowledge the receipt of yours of the 20th inst. in which you call attention to the fact that three accounts for printing for the Biological Board of Canada were paid to the University of Toronto Press in place of to the Government Printing Bureau, Ottawa.

In explanation, I beg to say that the printing, proof reading, corrections, and re-corrections as carried on at the Government Printing Bureau up to four years ago was the subject of numerous complaints by the workers of the Board, so much so indeed, as to threaten the harmonious operations of the Board.

There is not the slightest desire on the part of the Board to contravene the provisions of the act to which you call attention; but I am sure, on the other hand, that there is no desire on the part of the Auditor General to force upon the Board a service which is not perfectly satisfactory.

I shall lay your communication before the Executive Committee at its next meeting, October 18th. Meantime, I should be glad if the Kings' Printer could give the Committee some assurance that the service which the Bureau furnishes is at least equal to that furnished by the Toronto University Press.

Yours truly,

A. P. KNIGHT, *Chairman, Biological Board.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, September 30, 1924.

DEAR SIR,—I am forwarding herewith a copy of a letter received from Dr. A. P. Knight, the chairman of the Biological Board of Canada in reply to my communication of the 20th instant with respect to the purchase of stationery and printing supplies.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The King's Printer.

KING'S PRINTER'S OFFICE, October 7, 1924.

DEAR SIR, — I beg to acknowledge yours of the 30th ultimo enclosing copy of a letter addressed to you over the signature of Dr. A. P. Knight, Chairman of the Biological Board, and in which Dr. Knight states his reason for having had the printing for the Biological Board done by the University of Toronto Press instead of having all printing requirements met by the Government Printing Bureau.

Dr. Knight states that " The printing, proofreading, corrections and re-corrections, as carried on at the Government Printing Bureau up to four years ago was the subject of numerous complaints by the workers of the Board." Dr. Knight does not of course quote any specific cases. I have had enquiry made from different officials of the Bureau who were here at the time certain reports of the Biological Board were printed, and my information is to the effect that it is by no means clear that any criticism rested on the Printing Bureau for its part with regard to any difficulties that arose.

Dr. Knight is presumably aware, however, that the Printing Bureau was four years ago reorganized from top to bottom. It is now in a position to meet any reasonable demand from any Department of the Government, and is in fact carrying out, and, so far as I hear, without any adverse criticism, all the necessary printing of the numerous branches of the Public Service. I am aware of the general nature of the work which has been done by the University of Toronto Press for the Biological Board, and none of it is of a character which would of course offer the least difficulty to the Printing Bureau.

I trust you will succeed in inducing the Biological Board to conform with the requirements of the statute in this matter and send its orders for printing and stationery to the undersigned. We are of course compelled, as you know, to carry always an expensive overhead equipment, and are entitled to have the benefit of all printing and stationery orders. Should it become at any time necessary to get assistance from an outside printer it is better that we should select the firm. I do not in fact know of any Government body other than the Biological Board which is not conforming with the statute in these matters.

Yours truly,

F. A. ACLAND, *K.P.*

The Assistant Auditor General.

Vote 232, Agencies, Rents and Contingencies, and Vote 237, Administration of Pilotage; Additional Payments of Salary not approved by Civil Service Commission

AUDITOR GENERAL'S OFFICE, August 22, 1924.

SIR,—In examining the vouchers in support of expenditure in connection with the Marine Branch of the Department of Marine and Fisheries, I find that J. C. Chesley, agent of the Department for the New Brunswick District is receiving, in addition to his authorized salary as agent of $3,600 par an., amounts of $1,200 par ann., as Supervisor of wharves, as approved by Order in Council P.C. 27/897, dated April 29th, 1918, and $1,200 per year as Acting Superintendent of Pilots, without the approval of the Governor in Council or the Civil Service Commission.

Section 22 of the Civil Service Act provides "...... that nothing in this section is intended to prohibit the payment to any officer, clerk or employee of a separate annual salary from each of two or more departments or distinct branches of the Civil Service in respect of separate duties performed for each of such departments or branches respectively, if one of such salaries is not sufficient to compensate him for his whole time, and if the aggregate salaries do not, in the opinion of the deputy head, concurred in by the Commission, exceed reasonable compensation for the discharge of all the duties so performed."

In view of this provision of the Act, I am of opinion that the approval of the Commission should be obtained for the additional payments amounting to $2,400 per year, to Mr. Chesley.

Yours truly,

(Sgd.) GEO. GONTHIER, *A.G.*

The Deputy Minister, Department of Marine and Fisheries.

DEPT. OF MARINE AND FISHERIES, September 4, 1924.

SIR,—I beg to acknowledge the receipt of your letter of the 22nd ultimo in regard to the payments made to Mr. J. C. Chesley, in addition to his salary as Agent of the Department at St. John, N.B., namely $1,200 per annum, as Supervisor of Wharves as approved by Order in Council, P.C. 27/897 dated April 29th, 1918, and $1,200 per annum as Acting Superintendent of Pilots, without the approval of the Governor in Council or the Civil Service Commission.

You suggest in your letter that in view of Sec. 22 of the Civil Service Act 1918 the approval of the Civil Service Commission should have been obtained before the allowances were paid.

In reply I may point out that in the case of the appointment of Mr. Chesley as Supervisor of wharves all what was required was the approval of Council in accordance with the provision of the Civil Service Act 1918, Sec. 52, Part V, "Outside Service". It may be added that the reclassification of employees at St. John, N.B., took place since Mr. Chesley was appointed at above position and the Civil Service Commission must be aware of the fact that the Agent of the Department is in receipt of the additional allowance.

Regarding the appointment as Acting Superintendent of Pilots at St. John, N.B., I may say that same was made at the request of the Pilots of the district themselves, and the allowance is paid out of the revenue belonging to them. It is true that the salary is paid out of the vote "Administration of Pilotage" but this vote is subsequently reimbursed from the pilots' revenue as above stated.

Under the circumstances the Department does not consider the approval of the Civil Service Commission as necessary.

I am, Sir, your obedient servent,

E. HAWKEN, *Asst. D.M.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, September 11, 1924.

SIR, — I beg to acknowledge the receipt of your letter of the 4th instant in explanation of the payment of $2,400 per annum to Mr. J. C. Chesley in addition to his annual salary of $3,600 as Agent of the Department at St. John, N.B.

I am still of opinion that Section 22 of the Civil Service Act applies to the two payments of $1,200 each made to Mr. Chesley and that these amounts should not have been paid until the necessary certificate authorizing them had been obtained from the Civil Service Commission.

Section 52 of the Act of 1918 referred to in your letter does not apply to the additional payments in question.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Marine and Fisheries.

AUDITOR GENERAL'S OFFICE, November 26, 1924.

SIR, — With further reference to my letter of September 11th, 1924 respecting the payment to J. C. Chesley, Agent for the New Brunswick District, of additional salary of $1,200 per annum as Supervisor of Wharves, and $1,200 per annum as Acting Superintendent of Pilots, I beg to point out that payment of these additional salaries still goes on.

I have not been informed that the necessary Civil Service certificate has been obtained authorizing payment to Mr. Chesley of this extra remuneration. As you are aware Section 22 of the Civil Service Act calls for the certificate to which I refer.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Marine and Fisheries.

Vote 249, Salaries and Disbursements of Fishery Officers; Vote 255, Fish Culture; Vote 225, Life Saving Service and Vote 227, Radio-telegraph Service; Civil Service Commission Certificates not obtained

Civil Service Commission, July 22, 1924.

Sir,—I am instructed to draw your attention to the fact that the Department of Marine and Fisheries is employing Fishery Guardians, Hatchery Engineers, Hatchery Spawn Takers, Hatchery Egg Pickers, Hatchery Watchmen and Hatchery Helpers paid prevailing rates, without reference to the Civil Service Commission despite the fact that these positions are not exempt from the operation of the Civil Service Act. This information is supplied in order that you may take such action as may seem necessary.

Yours truly,

W. FORAN, *Secretary.*

The Auditor General.

Auditor General's Office, August 18, 1924.

Sir,—I beg to enclose for your information copy of a letter addressed to the Auditor General by the Secretary of the Civil Service Commission respecting certain appointments under your Department for which the necessary Civil Service certificates have not been obtained.

I have been informed that one of the Chief Clerks in this Office has called the attention of Mr. Gilbert of your Department to this matter unofficially.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Marine and Fisheries.

Auditor General's Office, August, 19, 1924.

Sir,—In the examination of the pay-sheets of the Fisheries Branch of the Department of Marine and Fisheries, I find that Fishery Guardians, Hatchery Assistants and other employees in connection with the fishbreeding establishments are being engaged without reference to the Civil Service Commission.

In view of the fact that the positions referred to are not exempt from the operation of the Civil Service Act, I shall be pleased if you will inform me by what authority appointments are made thereto without the approval of the Civil Service Commission.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Marine and Fisheries.

Department of Marine and Fisheries, August 21, 1924.

Dear Sir,—Your letters of the 18th and 19th instant with regard to the employment of fishery guardians and help at hatcheries, without reference to the Civil Service Commission, have been received.

By Minute of Council of the 21st of September, 1921, labourers, amongst others, were exempted from the operation of the Civil Service Act. As fishery guardians and the hatchery employees concerned are merely labourers and are not required to have any special qualifications, and are employed at prevailing rates, the Department informed the Civil Service Commission that its view was that it would not be necessary for the Commission to issue certificates covering their employment. It is true that these positions were classified before the date of the above cited Minute of Council and others exempting such positions; but such classification was not because of any special qualifications required, but they were given names merely for convenience of administration.

Yours truly,

A. JOHNSTON, *D.M.*

The Assistant Auditor General.

AUDITOR GENERAL'S OFFICE, September 17, 1924.

SIR,—I beg to acknowledge the receipt of your favour of the 21st ultimo in reply to my letters of the 18th and 19th ultimo with reference to the employment of Fishery Guardians, Hatchery Assistants and other help required at the hatcheries, without reference to the Civil Service Commission.

The positions of Hatchery Assistants and Hatchery Helpers, with definite rates of compensation, also Hatchery Egg Pickers, Hatchery Engineers, Hatchery Spawn Takers and Hatchery Watchmen, at prevailing rates, are set forth in the Classification of the Civil Service. If the occupants of these positions are considered labourers they would have been so classified, as provision is made in the classification schedule for the employment of this class of help in the public service.

I am not aware that provision has been made by Order in Council, as provided by Section 38B of the Civil Service Act, as amended, for the exemption of the positions under discussion from the operation of the Civil Service Act and I am therefore of opinion that payment of remuneration to the occupants of these positions may not be made unless such occupants have been appointed by the Civil Service Commission.

Yours truly,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Marine and Fisheries.

AUDITOR GENERAL'S OFFICE, October 10, 1924.

AUDITOR GENERAL'S OFFICE, October 31, 1924.

SIR,—I beg to direct your attention to my letter of the 10th instant in which I referred to certain appointments at the Bay View Life Saving Station having been made without reference to the Civil Service Commission.

So far I have not received a reply and I shall be pleased if you will give this matter your early attention.

In this connection I desire to say that Mr. Turner's employment was continued throughout the fiscal year ended March 31, 1924. I am informed that the necessary certificate of employment has not been issued by the Civil Service Commission.

The Deputy Minister, Marine and Fisheries.

AUDITOR GENERAL'S OFFICE, August 28, 1924.

SIR,—I beg to direct your attention to my letters of August 7th, 1923 and May 12th, 1924, with reference to the employment of Kendal Turner, a messenger clerk in the Radiotelegraph Service, from October 16th, 1922 to March 31st, 1924, without the necessary authority of the Civil Service Commission.

I have not received a reply to these letters, and would ask that you give this matter your immediate attention.

I also desire to say that Mr. Turner's employment is being continued in the present fiscal year without the necessary certificate of the Civil Service Commission.

Yours truly,

GEO. GONTHIER, *A.G.*

The Deputy Minister, Dept. Marine and Fisheries.

DEPARTMENT OF MARINE AND FISHERIES, September 13, 1924.

SIR, — In reply to your letter of the 28th August 1924, I have to inform you that Mr. Turner, who is just 18 years of age, is ready to take the next examination of the Civil Service Commission for the position of Messenger Clerk when it is held, and the Department anticipates no difficulty then in obtaining the proper certificate covering his employment.

I am, Sir, your obedient servant,

A. JOHNSTON, *D.M.*

The Auditor General, Ottawa, Ont.

AUDITOR GENERAL'S OFFICE, September 19, 1924.

SIR,—I beg to acknowledge the receipt of your letter of the 13th instant in reply to my letters of August 7th, 1924, May 12th, 1924 and August 27th, 1924 with reference to the employment of Kendal Turner, without the approval of the Civil Service Commission.

I infer from your letter that the necessary Civil Service certificate has not been obtained for the employment of Kendal Turner in the position of messenger in your Department and I must again point out that in the absence of such certificate any payments made to him as such are improper and should not be continued.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Marine and Fisheries.

Vote 233—Salaries and Allowances to Lightkeepers; Payments should be made from votes applicable to expenditure

AUDITOR GENERAL'S OFFICE, May 7, 1924.

SIR,—I desire to direct your attention to the following payments made under your Letter of Credit, being expenses incurred on account of certain investigations under the Inquiries Act, during the fiscal year ended March 31, 1924,—

Cheque C- 161—A. R. Forbes..	$108 70
Cheque C- 356—A. R. Forbes..	29 55
Cheque C- 1258—A. R. Forbes..	20 00
Cheque C- 9231—B. W. Tanton and A. R. Burke..	53 90
Cheque C- 9761—D. Edgar Shaw..	86 80
Cheque C-12010—D. Edgar Shaw..	98 05
Cheque C- 744—J. A. Nadeau..	41 11
Cheque C- 745—J. A. Nadeau..	89 63
Cheque C- 3484—J. A. Nadeau..	87 86
Cheque C-10395—J. A. Nadeau..	233 67

These payments have been charged against the Vote for "Salaries and Allowances to Lightkeepers."

As the payments referred to are in no way connected with the remuneration of lightkeepers, either on account of salary or allowances, I shall be glad if you will let me know your reasons for having paid them from this Vote.

If specific provision has not been made in the Supply Bill for expenses of investigations, payments should be made from some general Vote applicable to such expenditure.

I am your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Dept. of Marine and Fisheries.

Department of Marine and Fisheries, May 22, 1924.

Sir,—I have your letter of the 7th instant in which you point out that the Department has made certain payments, under our Letter of Credit, on account of investigations held under the Inquiries Act, out of the appropriation "Salaries and allowances to lightkeepers" instead of paying those accounts out of a vote provided for that purpose.

The Department is well aware that the expenditure above referred to should have been charged to "Unforeseen Expenses," but unfortunately that appropriation was exhausted and as the total of the charges did not exceed $300.00, it was not deemed advisable to have an item placed in the Supplementary Estimates to cover same.

I am, Sir, your obedient servant,

A. JOHNSTON, *D.M.*

The Auditor General.

Order in Council, P.C. 2275, Nov. 4, 1922, and Vote 215, Dominion Steamers; Payments improperly charged to Dominion Steamers.

Auditor General's Office, November 8, 1924.

Sir, — Authority was granted by Order in Council, P.C. 2275, dated November 4th, 1922 to accept the tender of Messrs. Burns and Kelleher of Halifax to make certain repairs to the C.G.S. *Bayfield* at a cost of $12,875.

During the fiscal yeal 1922-23 three payments aggregating $10,000 were made on account of this contract and charged to the Parliamentary appropriation, Hydrographic Survey (A.G's Report p. R-31).

The contracting company received the balance of the contract, viz: $2,875 by cheque B. 4125 of the fiscal year 1923-24, the payment being made a charge against the appropriation, Maintenance and Repairs to Dominion Steamers and Icebreakers.

In view of the fact that Order in Council P.C. 2275 specifically directs that the amount of the contract be made a charge against the appropriation, Hydrographic Survey, I should be informed of your reasons for charging the balance of the contract, paid in the fiscal year 1923-24, to the vote for Dominion Steamers.

I desire also to direct your attention to another payment for repairs to the steamer *Bayfield* made to Burns and Kelleher amounting to $1,335 and charged to the appropriation, Dominion Steamers, in the fiscal year 1923-24.

As the *Bayfield* is employed in the Hydrographic Survey these payments should have been charged to the appropriation for that service.

Please let me have your explanation.

I am, Sir, your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, Marine and Fisheries.

Vote 230: Sorel Shipyard—Expenditure in 1923-24 charged to 1924-25

Auditor General's Office, November 19, 1924.

Sir, — In examining the paylists in connection with the Sorel Shipyard for the fiscal year ended March 31st, 1924, I find that the paylist covering the period, March 16th to 31st, 1924, amounting to $11,283.81 was charged to the appropriation provided for the expenditure of the Sorel Shipyard for the fiscal year 1924-25.

I shall be pleased if you will inform me why the amount of wages and labour for this period was not charged to the Sorel Shipyard appropriation for the fiscal year 1923-24.

In this connection I beg to direct your attention to the fact that, had this payment of $11,283.81 been applied against the Sorel Shipyard appropriation for the fiscal year 1923-24, this vote would have been overdrawn to the extent of $10,643.34, as the unexpended balance is only $640.47.

I am, Sir, your obedient servant,

GEO. GONTHIER, *A.G.*

The Deputy Minister, Marine and Fisheries.

Department of Marine and Fisheries, December 10, 1924.

Sir,—I have to acknowledge the receipt of your letter of the 19th ultimo, enquiring about the payment of the paylist of the Government Shipyard, Sorel, amounting to $11,283.81, and covering the period from the 16th to the 31st March, 1924, out of the fiscal year 1924-25, and pointing out that, if this paylist had been paid out of the Vote for 1923-24, the latter would have been overdrawn.

In reply I may say that your observation is quite correct, and it is to be regretted that provision was not made in the Supplementary Estimates to cover the amount of this paylist. I may assure you that in future such occurrence will be avoided.

I am, Sir, your obedient servant,

A. JOHNSTON, *D.M.*

Crédit n° 237—Administration du pilotage, Construction d'un bateau de pilote

Bureau de l'Auditeur général, 29 septembre 1924.

Monsieur,—Au mois de janvier 1923, l'arrêté en Conseil, C.P. 151, autorisait l'achat ou la construction d'un ou de plusieurs bateaux pour l'usage des pilotes du district de pilotage de Sydney, N.-E., à un coût ne devant pas dépasser $10,000, payable à même le crédit parlementaire désigné sous le nom " administration du pilotage ". Les pilotes s'engageaient à rembourser la somme ainsi avancée à raison de $1,000 par année pris sur leurs salaires.

Le 11 juillet 1923, John Barrington, constructeur de navires, et le capitaine J. D. Mackenzie, surintendant des pilotes, représentant le district de pilotage de Sydney, signaient un contrat pour la construction et l'outillage d'un bateau de pilote. Les paiements devaient se faire sur présentation de rapports intérimaires comme suit:—

> "......25 p. 100 lorsque le bateau sera dressé, 15 p. 100 lorsqu'il sera bordé, 25 p. 100 lorsque le moteur sera mis en place et le bateau lancé, 25 p. 100 lorsqu'il sera accepté, et le paiement des derniers 10 p. 100, soixante jours après que le bateau aura été accepté."

Le contrat stipulait également—

> "Que l'on donnerait deux mois et demi à l'entrepreneur pour construire le bateau à partir du moment ou l'on signerait le contrat, et que pour chaque jour de retard, l'entrepreneur devrait payer $10 par jour."

A ce sujet je désire attirer votre attention sur les points suivants:—

(1) Le coût du bateau n'est pas mentionné dans le contrat.

(2) Le contrat stipule que l'on fera le troisième paiement "lorsque le moteur sera mis en place et le bateau lancé". On a fait ce versement avant le lancement du bateau.

(3) Le contrat porte la date du 11 juillet, mais on a versé 65 p. 100 du prix de construction entre le 18 octobre 1923 et le 8 février 1924. Il ne semble pas qu'on ait imposé l'amende de $10 par jour à l'entrepreneur pour ne pas avoir livré le bateau au temps indiqué.

Veuillez avoir la bonté de me fournir des explications sur les points en question, et tous autres renseignements de nature à faciliter la vérification des comptes relatifs à la construction de ce bateau.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère de la Marine et des Pêcheries.

Ministère de la Marine et des Pêcheries, 1er octobre 1924.

Monsieur, — J'accuse réception de votre lettre du 28 septembre concernant la construction d'un bateau de pilote pour le district de pilotage de Sydney, N.-E.

Question (1). Le coût du bateau n'est pas mentionné dans le contrat.

Je vous envoie avec la présente une copie de la soumission de M. John Barrington qui est annexée au contrat établissant le prix du bateau d'après les plans et les devis.

Question (2). Le contrat stipule que l'on fera le troisième paiement lorsque le moteur sera mis en place et le bateau lancé. On a fait ce versement avant le lancement du bateau.

On a fait ce versement avant le lancement parce que le havre était recouvert de glace à cette époque et il était impossible de lancer le bateau alors sans obliger l'entrepreneur à de fortes dépenses supplémentaires. Cependant le travail sur le bateau était assez avancé pour justifier ce paiement. Je vous transmets copie des lettres échangées à ce sujet.

En ce qui concerne la question (3), on n'a pas imposé l'amende parce que le retard était causé par la température et non par l'entrepreneur. En plus, les pilotes en leur qualité de propriétaires du bateau — et comme ce sont eux qui devront le payer — ont jugé qu'il n'y avait pas faute de la part de l'entrepreneur et ont recommandé le paiement.

Je suis, monsieur, votre obéissant serviteur,

E. HAWKEN, *S.-M. adjoint.*

Crédit n° 257—Commission biologique maritime du Canada; Impressions faites à l'extérieur de l'Imprimerie nationale

Bureau de l'Auditeur général, 20 septembre 1924.

Cher monsieur, — En examinant les pièces que l'on m'a transmises pour justifier les dépenses faites au nom de la Commission biologique du Canada au cours de l'exercice 1923-24, je constate que l'on a payé à la *University of Toronto Press* pour travaux d'impressions les sommes suivantes:

Compte	569	$ 48 80
"	764	16 90
"	808	15 30

L'article 16 de la loi des impressions et de la papeterie se lit comme suit:

" Est organisé à Ottawa un établissement officiel dont le surintendant des impressions a la gérance, et dans lequel se font tous les travaux d'impressions, d'électrotypie, de stéréotypie, de lithographie et de reliure, et autres ouvrages de même genre requis pour le service du Parlement et du gouvernement du Canada."

Il me semble que d'après cet article de la loi toutes les impressions et autres ouvrages de même genre devraient se faire à l'Imprimerie nationale. Si on juge à propos de faire faire du travail à l'extérieur, il faudra d'abord obtenir l'autorisation de l'Imprimeur du Roi et faire approuver toutes les dépenses encourues de ce chef par un fonctionnaire autorisé du département.

Bien à vous,

WM. KEARNS, *A.G. adjoint.*

Le président, Commission biologique du Canada.

Commission Biologique du Canada, 25 septembre 1924.

Cher monsieur, — J'accuse réception de votre lettre du 20 courant. Vous attirez notre attention sur le fait que trois factures pour travaux d'impressions exécutés pour le compte de la Commission biologique du Canada ont été payées à la *University of Toronto Press* et non à l'Imprimerie nationale, à Ottawa.

A ce sujet permettez-moi de vous faire remarquer que les impressions, la lecture, la correction et la revision finale des épreuves, telles que faites à l'Imprimerie nationale jusqu'à il y a quatre ans ont été le sujet de nombreuses plaintes de la part des membres de la Commission, au point que les relations harmonieuses de celle-ci en ont été menacées.

La Commission n'a aucunement l'intention d'enfreindre les dispositions de la loi auxquelles vous attirez notre attention; mais d'un autre côté je suis certain que l'Auditeur général ne désire pas davantage nous imposer un service qui n'est pas entièrement satisfaisant.

Je ferai part de votre communication aux membres du comité exécutif à sa prochaine réunion, le 18 octobre. En attendant je serais heureux si l'Imprimeur du Roi pouvait assurer le comité que l'Imprimerie nationale est en mesure de donner un service au moins aussi satisfaisant que celui de la *Toronto University Press.*

Bien à vous,

A. P. KNIGHT, *président de la Commission biologique.*

L'Auditeur général adjoint.

BUREAU DE L'ADITEUR GÉNÉRAL, 30 septembre 1924.

CHER MONSIEUR, — Je vous envoie ci-inclus copie d'une lettre du Dr A. P. Knight, le président de la Commission biologique du Canada, en réponse à la mienne concernant l'achat de papeterie et de fournitures d'imprimerie.

Votre dévoué,

WM. KEARNS, *A.G. adjoint.*

A l'Imprimeur du Roi.

BUREAU DE L'IMPRIMEUR DU ROI, 7 octobre 1924.

CHER MONSIEUR,—J'accuse réception de votre honorée du 30 dernier avec copie d'une lettre adressée à vous et signée par le Dr A. P. Knight, président de la Commission biologique, et dans laquelle le Dr Knight donne les raisons pour lesquelles la Commission biologique a donné ses commandes d'impression à la presse de l'université de Toronto au lieu de s'adresser à l'Imprimerie nationale.

Le Dr Knight dit que " l'impression, la correction des épreuves et les corrections finales du texte jusqu'à il y a environ quatre ans (?) ont soulevé de nombreuses plaintes parmi les personnes occupées à faire des travaux pour la Commission". Le Dr Knight se garde bien de donner des exemples. J'ai fait une enquête auprès des divers fonctionnaires qui étaient à l'Imprimerie lors de l'impression de certains rapports de la Commission biologique, et j'ai constaté qu'il n'y avait eu aucune critique contre l'Imprimerie pouvant donner naissance aux difficultés alléguées.

Le Dr Knight doit pourtant savoir que l'Imprimerie a été réorganisée complètement il y a quatre ans. Elle est maintenant en mesure de répondre à toute demande raisonnable venant d'un service du gouvernement, et en réalité elle exécute, sans aucune critique que je connaisse, toutes les impressions des nombreuses divisions du service public. Je connais le caractère général du travail fait par la presse de l'Université de Toronto pour le compte de la Commission biologique, et aucun de ces travaux ne peut présenter des difficultés pour les ateliers de l'Imprimerie.

J'ai confiance que vous réussirez à faire respecter les clauses de la loi par la Commission biologique et qu'elle donnera ses commandes d'impressions et de papeterie au soussigné. Comme vous le savez, nous sommes forcés de garder un matériel dont les frais généraux sont très élevés, et nous avons droit au bénéfice de toutes les commandes d'impressions et de papeterie. En tout temps, s'il devient nécessaire d'avoir l'aide d'un imprimeur de l'extérieur, il est préférable que nous ayons le choix de l'atelier. En réalité, je ne connais aucun service du gouvernement, à part la Commission biologique, qui ne se conforme aux exigences de la loi sous ce rapport.

Votre bien dévoué,

F. A. ACLAND, *I.R.*

Crédit 232: Agences, loyers et dépense casuelle, et Crédit 237: Administration du pilotage; paiements additionnels de traitement non approuvé par la Commission du Service civil

Bureau de l'Auditeur général, 22 aoû 1924.

Cher monsieur,—En examinant les pièces justificatives de la dépense dans le service de la marine du ministère de la Marine et des Pêcheries, je trouve que J. C. Chesley, agent du département pour le district du Nouveau-Brunswick reçoit, en sus de son traitement régulier comme agent, soit $3,600 par année, un montant de $1,200 par année comme surveillant des quais, suivant approbation donnée par arrêté en Conseil, C.P. 27/897 daté du 29 avril 1918, et $1,200 par année, comme surintendant adjoint des pilotes, sans l'approbation du Gouverneur en Conseil, ni de la Commission du Service civil.

L'article 22 de la Loi du Service civil dit: "Néanmoins rien dans le présent article n'a pour objet d'interdire le paiement à un fonctionnaire, commis ou employé, de traitements distincts annuels par deux ou plusieurs ministères ou branches distinctes du Service civil pour des fonctions séparées remplies pour chacun de ces ministères ou de ces branches respectivement, si l'un de ces traitements ne suffit pas à l'indemniser de son temps tout entier, et si le total des traitements ne dépasse pas dans l'opinion du sous-chef, avec l'agrément de la Commission, une indemnité raisonnable pour l'accomplissement de toutes les fonctions ainsi remplies."

A cause de cette clause de la loi, je suis d'opinion qu'il faut obtenir l'agrément de la Commission pour les paiements additionnels, s'élevant à $2,400 par année, faits à M. Chesley.

Bien à vous,

GEO. GONTHIER, *A.G.*

Au sous-ministre de la Marine et des Pêcheries.

Ministère de la Marine et des Pêcheries, 4 septembre 1924.

Monsieur,—J'accuse réception de votre honorée du 22 dernier au sujet de paiements fait à M. J. C. Chesley, en sus de son traitement comme agent du département à Saint-Jean, N.-B., savoir: $1,200 par année comme surveillant des quais, suivant l'approbation accordée par arrêté en Conseil, C.P. 27/897 daté

du 29 avril 1918, et $1,200 par année, comme surintendant suppléant des pilotes, sans l'approbation du Gouverneur en Conseil ni de la Commission du Service civil.

Vous dites dans votre lettre que vu les termes de l'article 22 de la Loi du Service civil 1918, il faut obtenir l'agrément de la Commission pour payer ces allocations.

En réponse je puis faire remarquer que dans le cas de la nomination de M. Chesley comme surveillant des quais, tout ce qu'il fallait, c'était l'approbation du Conseil conformément aux dispositions de la Loi du Service civil 1918, article 52, partie V, "Service extérieur". Je puis ajouter que la reclassification des employés à Saint-Jean, N.-B., eut lieu après la nomination de M. Chesley au poste ci-dessus mentionné, et que la Commission doit savoir que l'agent reçoit cette allocation additionnelle.

Au sujet de la nomination comme surintendant suppléant des pilotes à Saint-Jean, N.-B., je puis dire que cette nomination a été faite à la demande des pilotes du district eux-mêmes, et que l'allocation est payée sur les revenus qui leur appartiennt. Il est vrai que les traitements sont pris sur le crédit "Administration du pilotage", mais ce crédit est ensuite remboursé par les revenus des pilotes, comme je viens de le dire.

C'est pourquoi le ministère n'a pas cru nécessaire d'avoir l'agrément de la Commission du Service civil.

Je demeure, monsieur, votre obéissant serviteur,

E. HAWKEN, *S.-M. adjoint.*

A l'Auditeur général.

BUREAU DE L'AUDITEUR, GÉNÉRAL, 11 sepetmbre 1924.

MONSIEUR,—J'accuse réception de votre lettre du 4 courant expliquant le paiement de $2,400 à M. J. C. Chesley en sus de son traitement annuel de $3,600 comme agent du ministère à Saint-Jean, N.-B.

Je suis encore d'avis que l'article 22 de la Loi du Service civil s'applique à ces deux paiements de $1,200 chacun faits à M. Chesley, et qu'il ne faut pas verser ces montants, à moins d'obtenir de la Commission du Service civil un certificat pour les autoriser.

L'article 52 de la loi de 1918 que vous mentionnez dans votre lettre ne s'applique pas aux paiements additionnels en question.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre de la Marine et des Pêcheries.

BUREAU DE L'AUDITEUR GÉNÉRAL. 26 novembre 1924.

MONSIEUR, — Vous référant de nouveau à ma lettre du 11 septembre 1924, relative au paiement à J. C. Chesley, agent du district du Nouveau-Brunswick, d'un traitement additionnel de $1,200 par année comme surveillant des quais, et d'un traitement de $1,200 par année comme suppléant du surintendant des pilotes, je dois faire remarquer que ces paiements simultanés se continuent.

On ne m'a pas informé que la Commission du Service civil avait émis le certificat nécessaire autorisant le paiement de cette rémunération additionnelle

à M. Chesley. Comme vous le savez, l'article 22 de la Loi du Service civil exige le certificat que je viens de mentionner.

Je suis, monsieur, votre obéissant serviteur,

Crédit 249: Salaires et déboursés des fonctionnaires du ministère des Pêcheries, et Crédit 255: Pisciculture; Absence de certificats de la Commission du Service civil

COMMISSION DU SERVICE CIVIL, le 22 juillet 1924.

MONSIEUR,—Je suis chargé d'appeler votre attention sur le fait que le ministère de la Marine et des Pêcheries emploie des gardes-pêche, des ingénieurs de piscifacture, des collecteurs de laite, des collecteurs d'œufs, des gardiens de piscifacture et des aides de piscifacture, que l'on paie aux taux courants, et cela sans consulter la Commission du Service civil, bien que ces positions ne sont pas soustraites au jeu de la Loi du Service civil. Nous vous communiquons ces renseignements pour votre gouverne.

Agréez mes salutations empressées,

WM. FORAN, *secrétaire.*

L'Auditeur général.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 18 août 1924.

MONSIEUR,—Vous trouverez ci-joint, pour votre information, copie d'une lettre adressée à l'Auditeur général par le secrétaire de la Commission du Service civil au sujet de certaines nominations faites par votre ministère sans obtenir préalablement le certificat de la Commission du Service civil requis par la loi.

On m'informe qu'un des commis en chef de notre bureau a porté officieusement cette question à l'attention de M. Gilbert, de votre ministère.

Agréez l'hommage de mes sentiments distingués,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère de la Marine et des Pêcheries.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 19 août 1924.

MONSIEUR,—L'examen des bordereaux de paie de la division des pêcheries du ministère de la Marine et des Pêcheries révèle que votre ministère loue les services de gardes-pêche, d'adjoints de piscifacture et autres employés des établissements de pisciculture sans consulter la Commission du Service civil.

Vu que les positions précitées ne sont pas soustraites au jeu de la Loi du Service civil, vous m'obligeriez en me disant en vertu de quelle autorité vous faites ces nominations sans obtenir l'approbation de la Commission du Service civil.

Agréez l'hommage de ma haute considération,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, le 21 août 1924.

MONSIEUR,—Nous avons reçu vos lettres des 18 et 19 courant portant sur l'emploi de gardes-pêche et d'aides de piscifacture sans consulter la Commission du Service civil.

Le procès-verbal du Conseil du 21 septembre atteste que les journaliers, entre autres, furent soustraits au jeu de la Loi du Service civil. Vu que les gardes-pêche et les employés de piscifacture sont de simples journaliers, de qui l'on exige aucune compétence particulière, et qu'ils sont payés aux taux courants, le ministère a informé la Commission du Service civil qu'il ne jugeait pas nécessaire qu'elle émette des certificats en leur faveur. Il est vrai que ces positions furent classifiées antérieurement à la décision du Conseil que nous avons citée et aux autres décrets faisant exception pour les positions de ce genre; mais la classification n'avait pour objet d'exiger aucune compétence particulière; son seul but était de donner un nom aux positions pour plus de facilité d'administration.

Acceptez mes salutations respectueuses,

A. JOHNSTON, *S.-M.*

L'Auditeur général adjoint.

BUREAU DE L'AUDITEUR GÉNÉRAL, le 17 septembre 1924.

MONSIEUR, — J'ai l'honneur d'accuser réception de la vôtre du 21 écoulé en réponse à mes lettres des 18 et 19 écoulés concernant l'emploi de gardes-pêche, d'adjoints de piscifacture et d'autres employés requis dans les piscifactures, sans consulter la Commission du Service civil.

Les positions d'adjoints de piscifacture et d'aides de piscifacture, avec traitement fixe, ainsi que les positions de collecteurs d'œufs, d'ingénieurs de piscifactures, de collecteurs de laite et de gardiens de piscifacture, au taux courant, sont déterminées par la classification du Service civil. Si les titulaires de ces positions étaient considérés être des journaliers on les aurait classifiés comme tels, car les tableaux de la classification comprennent cette catégorie d'ouvriers.

Je ne sache pas qu'aucun décret ministériel ait, aux termes de l'article 388 de la Loi du Service civil, et ses modifications, soustrait les positions en discussion à l'application de la Loi du Service civil. Je suis, par conséquent, d'avis que rien n'autorise de payer les salaires des titulaires de ces positions à moins que lesdits titulaires n'aient été nommés par la Commission du Service civil.

Agréez mes salutations empressées,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère de la Marine et des Pêcheries.

MONSIEUR,—Je dois attirer votre attention sur ma lettre du 10 courant relative à certaines nominations que l'on a faites au poste de sauvetage de Bay-View sans avoir référé la question à la Commission du Service civil.

Je n'ai encore reçu aucune réponse et je vous serais bien obligé si vous vouliez vous occuper de cette question dans le plus court délai possible.

Veuillez me dire en vertu de quelle autorité M. Turner a obtenu de l'emploi. On me dit que la Commission du Service civil n'a pas émis le certificat nécessaire.

Au sous-ministre de la Marine et des Pêcheries.

BUREAU DE L'AUDITEUR GÉNÉRAL, 12 mai 1924.

MONSIEUR, — Je dois attirer votre attention sur ma lettre du 7 août 1923 dans laquelle je demandais en vertu de quelle autorité Kendal Turner, commis-messager du service radiotélégraphique, avait été payé du 16 octobre 1922 au 31 mars 1923.

Je n'ai pas encore reçu votre réponse et je vous serais très obligé si vous vouliez bien me fournir le renseignement.

A ce sujet, je dois dire que l'on a retenu les services de M. Turner pendant l'exercice terminé le 31 mars 1924. On me dit que la Commission du Service civil n'a pas émis le certificat nécessaire.

Bien à vous,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre de la Marine et des Pêcheries.

BUREAU DE L'AUDITEUR GÉNÉRAL, 28 août 1924.

CHER MONSIEUR,—Je dois attirer votre attention sur mes lettres du 7 août 1923 et du 12 mai 1924 concernant l'emploi de Kendal Turner, commis-messager du service radiotélégraphique, du 16 octobre 1922 au 31 mars 1924, sans l'autorisation de la Commission du Service civil, autorisation absolument nécessaire.

Ces lettres sont restées sans réponse et je vous demanderai de vous occuper de cette question immédiatement.

Je désire faire remarquer de plus que l'on a retenu les services de M. Turner pendant l'exercice actuel sans le certificat nécessaire de la Commission du Service civil.

Bien à vous,

GEO. GONTHIER, *A.G.*

Au sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, 13 septembre 1924.

MONSIEUR,—En réponse à votre lettre du 28 août 1924, je dois vous dire que M. Turner, qui n'a que dix-huit ans, est prêt à subir le prochain examen de la Commission du Service civil pour la position de commis-messager, lorsque cet examen sera tenu, et le ministère ne croit pas qu'il y ait alors de difficultés à obtenir le certificat régulier permettant son emploi.

Je suis, monsieur, votre obéissant serviteur,

A. JOHNSTON, *S.-M.*

A l'Auditeur général, Ottawa, Ont.

BUREAU DE L'AUDITEUR GÉNÉRAL, 19 septembre 1924.

MONSIEUR,—Je dois vous accuser réception de votre lettre du 13 courant en réponse aux miennes du 7 août 1924, du 12 mai et du 27 août de la même année, relatives à l'emploi de Kendal Turner sans l'autorisation de la Commission du Service civil.

Votre lettre me laisse entendre que l'on n'a pas obtenu le certificat nécessaire de la Commission du Service civil pour l'emploi de Kendal Turner comme messager dans votre ministère, et je dois vous faire remarquer de nouveau qu'en

l'absence d'un tel certificat tous les paiements qu'il a reçus sont irréguliers et devraient cesser.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Au sous-ministre de la Marine et des Pêcheries.

Crédit 233—Salaires et allocations des gardiens de phares. Les crédits applicables au compte des déboursés doivent servir à effectuer ces paiements

BUREAU DE L'AUDITEUR, 7 mai 1924.

MONSIEUR,—Je désire attirer votre attention sur les paiements qui suivent effectués sous l'autorisation de votre lettre de crédit, ces dépenses ayant été encourues par suite de certaines investigations instituées sous l'empire de la Loi des Enquêtes pendant l'exercice finissant le 31 mars 1924:—

Chèque C- 161—A. R. Forbes..............	$108 70
Chèque C- 356—A. R. Forbes..............	29 55
Chèque C- 1258—A. R. Forbes..............	20 00
Chèque C- 9231—B. W. Tanton et A. R. Burke ..	53 90
Chèque C- 9761—D. Edgar Shaw..	86 80
Chèque C-12010—D. Edgar Shaw............	98 05
Chèque C- 744—J. A. Nadeau..	108 70
Chèque C- 745—J. A. Nadeau..	89 63
Chèque C- 3484—J. A. Nadeau..	87 86
Chèque C-10395—J. A. Nadeau..	233 67

Ces paiements ont été imputés sur les crédits des "Salaires et allocations des gardiens de phares".

Vu que les paiements susdits n'ont aucun rapport avec la rémunération des gardiens de phares tant au point de vue du salaire que des allocations je serais heureux de savoir pourquoi vous vous êtes servi de ce crédit pour faire ces paiements.

Si le budget des crédits ne contient pas un crédit spécial pour couvrir les frais d'enquêtes ces paiements devraient s'effectuer à même quelque crédit général applicable auxdites dépenses.

Je demeure, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre, ministère de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, 22 mai 1924.

MONSIEUR,—J'ai votre lettre du 7 courant dans laquelle vous nous faites remarquer que notre ministère a effectué certains paiements en vertu de notre lettre de crédit pour couvrir les frais de certaines investigations qui ont été faites sous l'empire de la Loi des enquêtes à même le crédit voté pour les "salaires et allocations aux gardiens de phares" au lieu de payer ces comptes à même un crédit spécialement voté à cette fin.

Le ministère n'ignore pas que les déboursés susdits auraient dû être imputés sur le compte des "dépenses imprévues", mais malheureusement ce crédit était épuisé et vu que le total de ces déboursés ne dépassaient pas $300.00, nous n'avons pas jugé à propos d'inscrire un item spécial dans le budget annexe pour y pourvoir.

Je demeure, monsieur, votre obéissant serviteur,

A. JOHNSTON, *S.-M.*

L'Auditeur général.

Arrêté en Conseil, C.P. 2275, 4 Novembre 1922, et Crédit No 215, Navires à vapeur de l'Etat; Paiements imputés à tort sur le compte des navires à vapeur de l'Etat

BUREAU DE L'AUDITEUR, 8 novembre 1924.

MONSIEUR, — L'arrêté en Conseil, C.P. 2275, du 4 novembre 1922, autorisa Messieurs Burns et Kelleher, de Halifax, à faire certaines réparations au V.G.C. *Bayfield* au coût de $12,875.

Au cours de l'exercice 1922-23 on fit trois paiements se chiffrant à $10,000 sur ce contrat et on les imputa sur le compte du crédit parlementaire des levés hydrographiques (Rapport de l'A.G. p. R-31).

On versa le solde dû à la compagnie en vertu du contrat, soit $2,875, en lui remettant le chèque B. 4125 émis au cours de l'exercice 1923-24. On imputa ce paiement sur le compte du crédit affecté à l'entretien et à la réparation des vapeurs et brise-glaces de l'Etat.

Vu que l'arrêté en Conseil, C.P 2275, stipule d'une façon toute particulière que l'on devra imputer le montant de ce contrat sur le compte du crédit des levés hydrographiques, j'aimerais à savoir pour quelles raisons vous avez imputé le solde de ce contrat, payé au cours de l'exercice 1923-24, sur le compte du crédit des navires à vapeur de l'Etat.

Je désire également attirer votre attention sur un autre paiement au montant de $1,335 fait à Messieurs Burns et Kellcher pour réparations au vapeur *Bayfield,* et imputé sur le compte du crédit, navires à vapeur de l'Etat, pour l'exercice 1923-24.

Comme on se sert du *Bayfield* pour les levés hydrographiques, on aurait dû imputer ces paiements sur le compte de ce service.

Veuillez me fournir des explications à ce sujet.

Je suis, monsieur, votre obéissant serviteur,

WM. KEARNS, *A.G. adjoint.*

Le sous-ministre de la Marine et des Pêcheries.

Crédit n° 230: Chantiers maritimes de Sorel—Dépenses encourues en 1923-24 portées au compte de 1924-25

BUREAU DE L'AUDITEUR GÉNÉRAL, 19 novembre 1924.

MONSIEUR,—En examinant les bordereaux de paie des chantiers maritimes de Sorel pour l'exercice terminé le 31 mars 1924, je constate que le bordereau comprenant la période écoulée du 16 au 31 mars 1924, et se chiffrant à $11,283.81 a été porté au compte du crédit voté pour les dépenses des chantiers de Sorel au cours de l'exercice 1924-25.

Je serais heureux de savoir pour quelles raisons la somme représentant les salaires et le travail de cette période n'a pas été portée au compte du crédit affecté aux chantiers maritimes de Sorel pour l'exercice 1923-24.

A ce sujet je désire attirer votre attention sur le fait que, si ce paiement de $11,283.81 avait été porté au compte du crédit de 1923-24 affecté aux chantiers maritimes de Sorel, vous auriez eu un découvert de $10,643.34 vu que le solde du crédit ne se chiffrait qu'à $640.47.

Je suis, monsieur, votre obéissant serviteur,

GEO. GONTHIER, *A.G.*

Le sous-ministre de la Marine et des Pêcheries.

MINISTÈRE DE LA MARINE ET DES PÊCHERIES, 10 décembre 1924.

MONSIEUR,—Je dois accuser réception de votre lettre du 19 du mois dernier à propos de la solde du bordereau de paie des chantiers maritimes du Gouvernement, à Sorel, se montant à $11,283.81; couvrant la période du 16 au 31 mars 1924, et porté au compte de l'exercice 1924-25.

Vous remarquez que si ce bordereau de paie eut été soldé à même l'exercice 1923-24, il y aurait eu un découvert pour cet exercice.

En réponse, je puis vous dire que vos remarques sont tout à fait justes et qu'il est regrettable qu'on n'ait pas mis dans le budget des crédits supplémentaires un montant pour couvrir le total de ce bordereau de paie.

Je puis vous assurer qu'à l'avenir une telle omission ne se présentera plus.

Je suis, monsieur, votre obéissant serviteur,

A. JOHNSTON, *S.-M.*

L'Auditeur général.

Vote 351—Battlefields Memorials: Remuneration of Architect

AUDITOR GENERAL'S OFFICE, February 7, 1924.

SIR, — I beg to draw your attention to payments made from Canadian Battlefields Memorials appropriations to Mr. F. C. Clemesha, architect.

By the terms of a contract dated February 1st., 1922, Mr. Clemesha undertook to prepare plans and supervise the construction of seven monuments on selected sites in France and Belgium.

The following statement shows that up to May 31st., 1923, Mr. Clemesha had received $1,500 in excess of the total amount of his contract:—

	Amount authorized per contract.	Payments made.
Commission	$10,000	$ 9,000
Salary	10,000	12,500
Transport expenses..................	1,500	1,500
	$21,500	$23,000

With reference to the $10,000 commission, I note that the contract stipulates that the final payment of $1,000 shall be made on completion of the last monument.

Please let me have your explanation for this apparent overpayment.

Your obedient servant,

WM. KEARNS, *Asst. A.G.*

The Deputy Minister, National Defence, Ottawa.

DEPARTMENT OF NATIONAL DEFENCE, January 29, 1924.
MEMORANDUM FOR THE MINISTER

SIR, — In connection with the final settlement with Mr. Clemesha the Auditor General has referred to a point which it is desired to bring to your attention. The contract provides (Para. 1. (j)) that Mr. Clemesha is to render all such professional services as may be necessary to the complete carrying out of the works to a successful conclusion, as and when required by the Commission.

Para. 2 (b) provides that he is to receive a salary, at the rate of $10,000 per annum " for a period not to exceed one year ".

The mention of one year was not intended as a limitation upon the Commission, as it was quite uncertain how long the work would take. It was intended as a safeguard against possible dilatoriness on the part of the architect. The Commission could discontinue the employment of the architect at the end of one year or sooner if the work was completed. In point of fact Mr. Clemesha was employed for 16 months and has been paid for 15 months, leaving one month's salary still due to him.

(2) Though the point has not been raised by the Auditor General, it is desired to direct your attention to the following:

The contract provides, Para 2 (a) that the architect is to receive a sum of $10,000, "representing commissions as provided for in the conditions of the Competition". Para. 3 sets out when and how this $10,000 is to be paid, the sum of $1,000 being held back till the completion of the last monument.

The Commission having decided, for various public reasons, not to repeat Mr. Clemesha's design, it is advised by its Architectural Adviser, and considers, that this balance of $1,000 should be paid now. (See extract from Minutes of the 9th Meeting attached).

Colonel H. C. OSBORNE,
Honorary Secretary, C.B.M.C.

EXTRACT *from the Minutes of the 9th Meeting of the Canadian Battlefields Memorials Commission held in Ottawa on December 6th and 7th, 1923*

The Architectural Adviser was asked for an interpretation of Mr. Clemesha's contract, it being considered that as his design was not being repeated, a final settlement should now be made. Mr. Nobbs reported that there was due a balance of $1,000 mentioned in Para. 3 (a) (VI) of the contract which was to be payable on completion of the last monument. There was also due the sum of $1,000 provided for in Para. 5 of the contract — by way of solatium in view of the decision not to carry out the project to erect seven monuments as originally contemplated.

Colonel H. C. OSBORNE,
Honorary Secretary, C.B.M.C.

Vote 381, 1923-24 and Vote 90, 1924-25—Specific Provision required for Grants

AUDITOR GENERAL'S OFFICE, October 9, 1924.

SIR, — I beg to draw your attention to grants made to McGill University as custodian of the Canadian Army Medical Corps Museum.

Cheques were issued to the University as follows: —

H.Q. Cheque No.	Appropriation.	Amount.
4235	Adjustment of War Claims, 1923-24.....$	500 00
2435	Contingencies, 1924-25 ....$	300 00

A memo from the office of the Adjutant-General, dated 14th. August 1923, recommends "that a special allowance be set aside from the Contingencies vote, amounting to $500, for the McGill University, for the year 1923, and that provision be made in the estimates in future years for the $300 per year, so long as McGill University houses and cares for the Military Museum".

Please explain why the appropriations affected were considered available for payments of this nature, which, in my opinion, require special parliamentary authority.

Your obedient servant,

WM. KEARNS,
Asst. A.G.

The Deputy Minister, Department of National Defence.

DEPARTMENT OF NATIONAL DEFENCE, October 13, 1924.

SIR, — In reply to your letter of Oct. 9th., 1924, regarding certain payments made to McGill University, I beg to advise you that the work of collection of specimens for the Canadian Army Medical Corps War Museum was first instigated in November, 1914.

Expenditure up to $10,000 in connection with the collection of the specimens was authorized by the Minister, O.M.F.C.

On the 15th June, 1921, Privy Council authorized further expenditure of $10,000 for a scientific descriptive catalogue written by experts in connection with the work. (P.C. 2042).

Upon completion of the collection, the Consultant Board of the Museum, composed of officials of this Department and other expert medical authorities, recommended that, as there was no immediate prospect of a National Museum Building being erected, and until such a permanent house was provided, the collection be kept at McGill University; and that the sum of $500 for the first year and $300 yearly thereafter, be paid to McGill University for part of the time of a technician to act as caretaker to the collection; this amount being estimated on a $\frac{1}{3}$ basis of the salary paid by McGill University to the technician.

The first payment of $500 was made a charge to Adjustment of War Claims and, on re-consideration, it is thought that so long as such an appropriation is voted by Parliament, the subsequent charges should remain there also. Steps are, therefore, being taken to obtain a transfer warrant charging the Adjustment of War Claims Vote and crediting Contingencies 1924-25.

Under the circumstances, it is believed that the Department acted within its authority in paying these amounts without obtaining special parliamentary sanction.

Your obedient servant,

G. J. DESBARATS, *D.M.*

The Asst. Auditor General of Canada.

AUDITOR GENERAL'S OFFICE, October 17, 1924.

SIR,—I have your letter of the 13th instant in reply to mine of the 9th October, 1924 with reference to grants made to McGill University as custodian of the Canadian Army Medical Corps Museum.

You inform me that " it is believed that the Department acted within its authority in paying these amounts without obtaining special parliamentary sanction ".

I do not agree with your view in respect to grants of this nature. In my opinion grants of specific amounts to individuals or institutions should be voted by Parliament as separate items or if included in a general vote there should be a note in the Estimates to the effect that grants for specific sums may be paid from the vote by order of the Governor in Council.

Your obedient servant,

GEO. GONTHIER, *A.G.*

The Deputy Minister of National Defence, Ottawa.

DEPARTMENT OF NATIONAL DEFENCE, October 20, 1924.

SIR, — Replying to your letter of the 17th instant, with reference to payments made to McGill University as Custodian of the Canadian Army Medical Corps Museum.

I have the honour to enclose, for your information, a memorandum of the proposals which, on September 21, 1923, were submitted to the Principal of McGill University and accepted by him as a working basis for the care of this Museum. From this memorandum it will be noted that the payments made to McGill University are not in the nature of grants but, together with the privilege of using the specimens for teaching purposes, are for value received.

I have the honour to be, Sir,

Your obedient servant,

G. J. DESBARATS, *D.M.*

The Auditor General, Ottawa, Ont.

Naval Dockyard, Halifax: Disposal of Revenue

AUDITOR GENERAL'S OFFICE, May 15, 1924.

DEAR SIR, — I beg to enclose herewith for your information copy of a report respecting the stores at the Naval Dockyard at Halifax and the records in connection therewith, made by an officer of this Department who visited Halifax for the purpose of making an audit of the stores under the care of the chief officer in charge of the Dockyard.

The Auditor General hopes that, in future, all moneys derived from the sale of surplus stock or from sources other than the cash advances made from headquarters will be deposited to the credit of the Receiver General either as items of revenue or as refunds of expenditure as the case may be.

Heretofore, as you are no doubt aware, receipts from such sources have been treated as appropriations and used to defray certain expenses at the Dockyard, a disposition of receipts which is contrary to the provisions of the Consolidated Revenue and Audit Act.

Yours truly,

WM. KEARNS, *Asst. A.G.*

G. J. DESBARATS, Esq.,
Deputy Minister, National Defence, Ottawa.

DEPARTMENT OF NATIONAL DEFENCE, August 7, 1924.

SIR, — I beg to acknowledge your letter of the 15th May last, and the enclosed copy of the report made by your representative in connection with his inspection at H.M.C. Dockyard, Halifax, N.S. in January last.

With regard to paragraph two of your letter respecting the crediting of all moneys derived from the sale of surplus stock, or from sources other than the cash advances made from Headquarters to the credit of the Receiver General,

it is observed that this question was discussed with the late Mr. Fraser, former Auditor General, in the early days of the Naval Service. The facts as presented to Mr. Fraser at that time were as follows.—

(1) The Naval Service was following the procedure laid down in K.R. and A.I., which directs that Accountant Officers must debit themselves with all monies received, crediting the expenditure or revenue as the case may be.

(2) The K.R. and A.I., are part of the Naval Service Act, which is subsequent to the Consolidated Revenue and Audit Act.

(3) That while in the case of Shore Establishments it would be possible to deposit to the credit of the Receiver General all monies received, the same thing would not be feasible by a ship away on a cruise and, therefore, exceptions would have to be made in the latter case.

(4) Our Accountant Officers, excluding the Dockyard Accountants, were officers lent from the Imperial Navy accustomed to follow to the letter the K.R. and A.I., and in the absence of any Canadian Naval Regulations we could not very well expect them not to follow the Imperial procedure.

(5) The question of separate financial regulations for ships afloat and shore establishments was also brought up for consideration, and we arrived at the conclusion that is was better to have uniformity rather than make exceptions to the rules and regulations.

As a result of the interview, Mr. Fraser gave his approval for the continuance of the above procedure, which, insofar as the Naval Service is concerned, is much better from our accounting point of view; the same result being obtained, viz., appropriate credits to revenue or current expenditure, as the case may be. It is therefore strongly recommended that no change be made.

With regard to the proceeds of sales of surplus and condemned stores from H.M.C. Dockyards, which have in the past been credited to our current appropriation, all such proceeds are now and will hereafter be credited to the Receiver General, in accordance with the terms of the Consolidated Revenue and Audit Act.

With regard to the Chronometer No. 5724, which could not be located by your representative in the Chart and Chronometer Depot, a thorough investigation is now being made to trace this instrument. The Deck Watch No. 609643 was forwarded to the Royal Observatory, England, for repairs and rating, and has not yet been returned.

A complete stocktaking of the stationery and audit of the ledgers is now being made.

Your obedient servant,

G. J. DESBARATS, *D.M.*

The Auditor General, Ottawa, Ont.

Crédit No 351—Monuments commémoratifs des champs de bataille: Rémunération de l'architecte

BUREAU DE L'AUDITEUR GÉNÉRAL, 7 février 1924.

Mémoire pour le ministre

MONSIEUR, — Je désire attirer votre attention sur les sommes versées à M. F. C. Clemesha, architecte, à même les crédits affectés aux monuments commémoratifs canadiens des champs de bataille.

M. Clemesha s'est engagé, aux termes d'un contrat portant la date du 1er février 1922, à préparer les plans et à diriger la construction de sept monuments sur des sites choisis en France et en Belgique.

L'état suivant indique qu'au 1er mai 1923, M. Clemesha avait reçu $1,500 en plus du montant autorisé par son contrat:

	Montants autorisés par le contrat.	Versements faits.
Commission	$10,000	$ 9,000
Appointements	10,000	12,500
Frais de transport..................	1,500	1,500
	$21,500	$23,000

En ce qui a trait à la commission de $10,000, je constate que le versement final de $1,000, aux termes du contrat, ne devra se faire que lorsqu'on aura terminé le dernier monument.

Veuillez avoir la bonté de me donner des explications concernant cette surpaye apparente.

Votre obéissant serviteur,

WM. KEARNS, *A.G.-adj.*

Le sous-ministre de la Défense Nationale, Ottawa.

MINISTÈRE DE LA DÉFENSE NATIONALE, 29 janvier 1924.

MONSIEUR, — Je désire attirer votre attention sur un point soulevé par l'Auditeur général, au sujet du règlement final avec M. Clemesha. Le contrat stipule (para. 1 (j)) que M. Clemesha devra rendre tous les services professionnels nécessaires pour mener à bonne fin les travaux projetés, aux conditions et à la date arrêtées par la Commission.

Le paragraphe 2 (*b*) stipule qu'il touchera des appointements de $10,000 par an " pendant une période ne devant pas dépasser une année ".

En mentionnant cette période d'une année on n'avait pas l'intention d'imposer une restriction à la Commission, car on ne savait pas combien de temps demanderait l'exécution de ce travail. On voulait plutôt prévenir tout retard de la part de l'architecte. La Commission était libre de cesser d'employer l'architecte à la fin de l'année, ou plus tôt si le travail était terminé. En réalité on a employé M. Clemasha pendant 16 mois et on l'a payé pour 15; on lui doit donc encore les appointements d'un mois de travail.

(2) Bien que l'Auditeur général n'ait pas soulevé la question suivante, je me permets d'y attirer votre attention:

Le contrat stipule (para. 2 (*a*)) que l'architecte recevra une somme de $10,000 comme commission, tel que pourvu d'après les conditions du concours. Le paragraphe 3 explique quand et comment on payera ces $10,000, et stipule que l'on devra retenir $1,000 jusqu'à ce que l'on ait terminé le dernier monument.

La Commission ayant décidé, pour diverses raisons, de ne pas répéter le modèle de M. Clemesha, recommande à la demande de son architecte-conseil que l'on verse ce solde de $1,000 maintenant. (Voir extrait ci-joint du procès-verbal de la 9e réunion).

Colonel H. C. OSBORNE,
Secrétaire honoraire C.M.C.C.B.

EXTRAIT *du procès-verbal de la 9e réunion de la Commission des monuments canadiens des champs de bataille, tenue à Ottawa les 6 et 7 décembre 1923*

On demanda à l'architecte-conseil de nous donner une interprétation du contrat de M. Clemasha, car il semblait qu'un règlement final s'imposait vu qu'on avait décidé de ne pas répéter son modèle. M. Nobbs fit rapport que l'on devait un solde de $1,000 d'après le paragraphe 3 (a) (VI) du contrat payable lors de l'achèvement du dernier monument. On devait également la somme de $1,000 prévue au paragraphe 5 du contrat comme dédommagement vu que l'on avait décidé de ne pas mettre à exécution le projet original comportant la construction de sept monuments.

(Copie conforme).

H. C. OSBORNE,
Secrétaire honoraire, C.M.C.C.B.

Crédit 381, 1923-24 et Crédit 90, 1924-25—Nécessité d'une clause spécifique pour les allocations

BUREAU DE L'AUDITEUR GÉNÉRAL, 9 octobre 1924.

MONSIEUR,—Je désire attirer votre attention sur les allocations accordées à l'université McGill à titre de gardienne du musée du Corps médical de l'armée canadienne.

Les chèques suivants ont été émis en faveur de l'université:

Q.G., Chèque n°	Imputé sur	Montant.
4235	Règlement des réclamations de guerre, 1923-24 ....$	500 00
2435	Dépenses contingentes, 1924-25..........$	300 00

Un mémoire préparé au bureau de l'Adjudant général, en date du 14 août 1923, recommande "de séparer dans les dépenses contingentes pour l'année 1923 une allocation spéciale en faveur de l'université McGill au montant de $500, et d'inclure dans le budget des années subséquentes une somme de $300, tant que l'université McGill abritera le musée militaire et en prendra soin".

Veuillez expliquer pourquoi on a cru pouvoir faire des paiements de cette nature à même les crédits, alors qu'il faudrait, à mon avis, une autorisation spéciale par le Parlement.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

WM. KEARNS, *A.G.-adj.*

Au sous-ministre,
Ministère de la Défense nationale.

MINISTÈRE DE LA DÉFENSE NATIONALE, 13 octobre 1924.

MONSIEUR, — En réponse à votre honorée du 9 octobre 1924, relativement à certains paiements faits à l'université McGill, je dois vous dire que le travail de collection des spécimens pour le musée du Corps médical de l'armée canadienne a été commencé en novembre 1924.

Le ministre canadien de la milice d'outre-mer a autorisé une dépense de $10,000 pour ce travail de collection.

Le 15 juin 1921, le Conseil privé a autorisé une dépense additionnelle pour la rédaction d'un catalogue descriptif au point de vue scientifique par des experts au courant de ce travail de collection (C.P. 2042).

Lorsque la collection fut terminée, le conseil aviseur du musée, composé de fonctionnaires de ce ministère et d'autres autorités médicales spécialisées, recommanda vu qu'il ne pouvait être question maintenant d'ériger un édifice fédéral pour ce musée et tant qu'on n'aurait pas un local permanent, que cette collection fut gardée à l'université McGill; et qu'il fut payé pour la première année une somme de $500, et pour les années subséquentes une somme de $300, à l'université McGill à titre d'indemnité pour le temps partiel d'un technicien agissant comme conservateur de la collection, ce dernier montant étant calculé sur la base d'un cinquième du salaire payé à ce technicien par l'Université.

Le premier paiement de $500 a été imputé sur la rubrique "Règlement des réclamations de guerre ", et après une étude nouvelle de la question, on a cru que les autres paiements devraient être portés au même compte tant que le Parlement voterait ce crédit. C'est pourquoi on s'occupe présentement de faire un virement portant cette somme au débit du " Règlement des réclamations de guerre " et au crédit des "Dépenses contingentes" 1924-25.

Vu les circonstances ci-mentionnées, on croit que le ministère avait le pouvoir de payer ces montants sans avoir au préalable une autorisation spéciale par le Parlement.

J'ai l'honneur d'être, Monsieur,

Votre obéissant serviteur,

G. J. DESBARATS, *S.-M.*

A l'Auditeur général adjoint du Canada.

BUREAU DE L'AUDITEUR GÉNÉRAL, 17 octobre 1924.

MONSIEUR, — J'ai reçu votre honorée du 13 courant en réponse à ma lettre du 8 octobre 1924 au sujet des allocations accordées à l'université McGill à titre de gardienne du musée du Corps médical de l'armée canadienne.

Vous dites: " On croit que le ministre avait le pouvoir de payer ces montants sans avoir au préalable une autorisation spéciale du Parlement".

Je ne puis accepter cette opinion quand il s'agit d'allocations de cette nature. A mon avis, les allocations comportant des montants spécifiques en faveur d'individus ou d'institutions doivent être votées par le Parlement comme crédits séparés, ou, si elles sont comprises dans la masse globale d'autres crédits, il faut une note dans le budget désignant spécifiquement les allocations qui doivent être payées sous l'autorité d'un arrêté en Conseil.

Je demeure, Monsieur,

Votre obéissant serviteur,

GEO. GONTHIER, *A.G.*

Au sous-ministre de la Défense nationale, Ottawa.

MINISTÈRE DE LA DÉFENSE NATIONALE, 20 octobre 1924.

MONSIEUR, — En réponse à votre lettre du 17 courant au sujet des paiements faits à l'université McGill à titre de gardienne du musée du Corps médical de l'armée canadienne, j'ai l'honneur de vous envoyer ci-inclus, à titre de renseignement, un mémoire des propositions soumises le 21 septembre 1923 au principal de l'université McGill et acceptées par lui comme conditions de la garde de ce musée. D'après ce mémoire, les paiements faits à l'université McGill ne tombent pas dans la catégorie des allocations, mais sont faits en considération de valeur reçue, en outre du privilège de se servir des spécimens pour fins d'enseignement.

J'ai l'honneur d'être, Monsieur,

Votre obéissant serviteur,

G. J. DESBARATS, *S.-M.*

A l'Auditeur général, Ottawa.

Arsenal maritime d'Halifax: Attribution des recettes

BUREAU DE L'AUDITEUR GÉNÉRAL, 15 mai 1924.

CHER MONSIEUR, — Je vous envoie sous ce pli, à titre de renseignement, copie d'un rapport concernant le matériel de l'arsenal maritime d'Halifax et les dossiers s'y rapportant, rapport rédigé par un fonctionnaire de notre département qui est allé à Halifax inventorier le matériel confié aux soins de l'officier dirigeant du chantier naval.

L'Auditeur général espère qu'à l'avenir toutes les sommes provenant de la vente de l'excédent de matériel ou d'autres sources que les avances en espèces consenties par les chefs des quartiers généraux seront placées au crédit du Receveur général à titre de recettes ou comme remboursement de frais, suivant le cas.

Jusqu'à présent, vous le savez sans doute, les recettes provenant de ces ressources ont été considérées au même titre que les crédits et ont servi à couvrir certaines dépenses faites à l'atelier de la flotte, ce qui est contraire aux dispositions de la loi du Revenu consolidé et de l'audition.

Votre tout dévoué,

WM. KEARNS, *A.G.-adj.*

G. J. DESBARATS,
Sous-ministre, Défense nationale, Ottawa.

MINISTÈRE DE LA DÉFENSE NATIONALE, 7 août 1924.

MONSIEUR, — J'accuse réception de votre lettre du 15 mai dernier et de la copie incluse du rapport fait par votre représentant sur son inspection de l'arsenal maritime canadien de S.M., inspection qu'il a effectuée en janvier dernier.

Au sujet du paragraphe 2 de votre lettre concernant l'imputation sur le crédit du Receveur général de toutes les sommes provenant de la vente des excédents de matériel ou d'autres sources que les avances en espèces consenties par les chefs des quartiers généraux, nous vous ferons remarquer que cette question

a été discutée avec feu M. Fraser, ancien auditeur général, peu après la création du Service naval. Voici quels furent les faits soumis à M. Fraser à cette époque:

(1) Le Service naval suivait la procédure indiquée dans les règlements royaux et les instructions de l'amirauté d'après lesquels les officiers comptables doivent se débiter de toutes les sommes reçues et créditer la dépense ou la recette, suivant le cas.

(2) Les règlements royaux et les instructions de l'amirauté font partie de la Loi du Service naval qui est postérieure à la loi du Revenu consolidé et de l'audition.

(3) Si les établissements terriens peuvent placer au crédit du Rereveur général toutes les sommes qu'ils reçoivent, il n'en est pas ainsi d'un vaisseau en croisière, et par conséquent il faut faire exception pour les navires.

(4) Nos officiers comptables, à l'exception des comptables de l'arsenal, sont des militaires qui nous ont été prêtés par la marine impériale et qui sont habitués à suivre à la lettre les règlements royaux et les instructions de l'amirauté. N'ayant pas de règlements particuliers pour la marine canadienne, nous ne pouvions pas beaucoup nous attendre qu'ils ne suivraient pas la procédure impériale.

(5) La question d'établir des règlements distincts au sujet de la comptabilité des navires et de celle des établissements terriens est également venue sur le tapis, et nous en sommes arrivés à la conclusion qu'il était mieux d'avoir une comptabilité uniforme que de faire des exceptions aux règlements et aux instructions.

A la suite de cette entrevue, M. Fraser approuva la continuation de la procédure susmentionnée qui, à l'égard du service naval, est bien meilleure au point de vue comptable et aboutit au même résultat, savoir, l'affectation des crédits aux revenus ou aux dépenses courantes, suivant le cas. Nous recommandons donc fortement que rien ne soit changé.

Quant aux produits des ventes d'excédents et de matériel rejeté par l'arsenal de S.M., produits que l'on imputait sur notre crédit courant, ils sont maintenant et seront désormais portés au crédit du Receveur général, aux termes de la loi du Revenu consolidé et de l'audition.

Pour ce qui est du chronomètre n° 5724 que votre représentant n'a pu trouver au dépôt des cartes et chronomètres, nous avons ouvert une enquête pour le retracer. La montre de pont n° 609643 a été envoyée à l'observatoire royal, en Angleterre, pour y être réparée et graduée. Elle n'est pas encore revenue.

On est à faire un inventaire complet de la papeterie et à contrôler les grands livres.

Je suis, monsieur,

Votre obéissant serviteur,

G. J. DESBARATS,
Sous-ministre.

L'auditeur général, Ottawa, Ont.
